Dear School Attendant,

USA Youth Education in Shooting Sports (USAYESS) is the nation's only all-inclusive and fastest growing youth competitive sports organization in the country. With several events held throughout the year, the competition is both challenging and rewarding to those who participate; especially the athletes themselves.

As with many sports, competition shooting requires practice and travel. We, the USA Youth Education in Shooting Sports, ask that students be given the opportunity to be dismissed from class when their parents and coaches see fit.

The following page contains a dismissal permission slip. Should you have any questions regarding the organization or the permission slip, please contact USAYESS's home office.

Thank you,

Mike Borg  
USAYESS Founder and President
